TEEN PROGRAMS (ages 14-17)

Immersive High School Intensives and Workshops provide focused and enriching hands-on experiences for students of all levels of ability to channel their creative spirit. In this supportive environment, students are challenged to build skill and confidence while emphasizing educational values, personal values, and achievement.

JUNIOR ARTISTS (ages 10-13)

Middle School Workshops provide meaningful inspiration and life-changing experiences for kids eager to tap their limitless artistic possibilities. Professional artist-educators guide intensive, hands-on experiences in a positive and collaborative environment, and small class sizes ensure individual attention and support.

KIDS PROGRAMS (ages 5-10)

Engaging offerings for the youngest artists provide a nurturing environment for children to explore creativity and performance. Experienced youth educators provide technical instruction balanced with strong encouragement and inspiration, sparking students to discover the joy of self-expression. Programs are for day students only.
